

Do you dare to take on the challenge?

At the bottom of southern Sweden, on the most wonderful beach with chalk-white sand, we have placed our beautiful beach house. A truly majestic house, a few meters from the sea!

At Badhytten we run 2 restaurants, 2 beach bars, 4 bars, nightclub, party room and terraces on 2 floors with space for 600p in total.

Tourists from all over the world gather together with holidaying Swedes to enjoy good food, cold drinks, in our beautiful relaxed atmosphere.

With us, everyone is welcome, for all occasions, for parties or everyday - in flip-flops or high heels!

**And now we need to recruit more heroes
to our young, awesome team!**
