

WORK, GROW
AND COLLABORATE

INL

Working in Portugal 2025 – Career Fair

Founded by the governments of **Portugal** and **Spain** INL was established in 2009 under an international legal framework to advance interdisciplinary research and implement nanotechnology for the benefit of Society.

WHAT IS INL?

International Iberian Nanotechnology Laboratory

INL's Mission is to excel in nanoscale research for the benefit of Society and our Vision is to lead in nanotechnology by fostering excellence and global recognition, making meaningful contributions to shape the future.

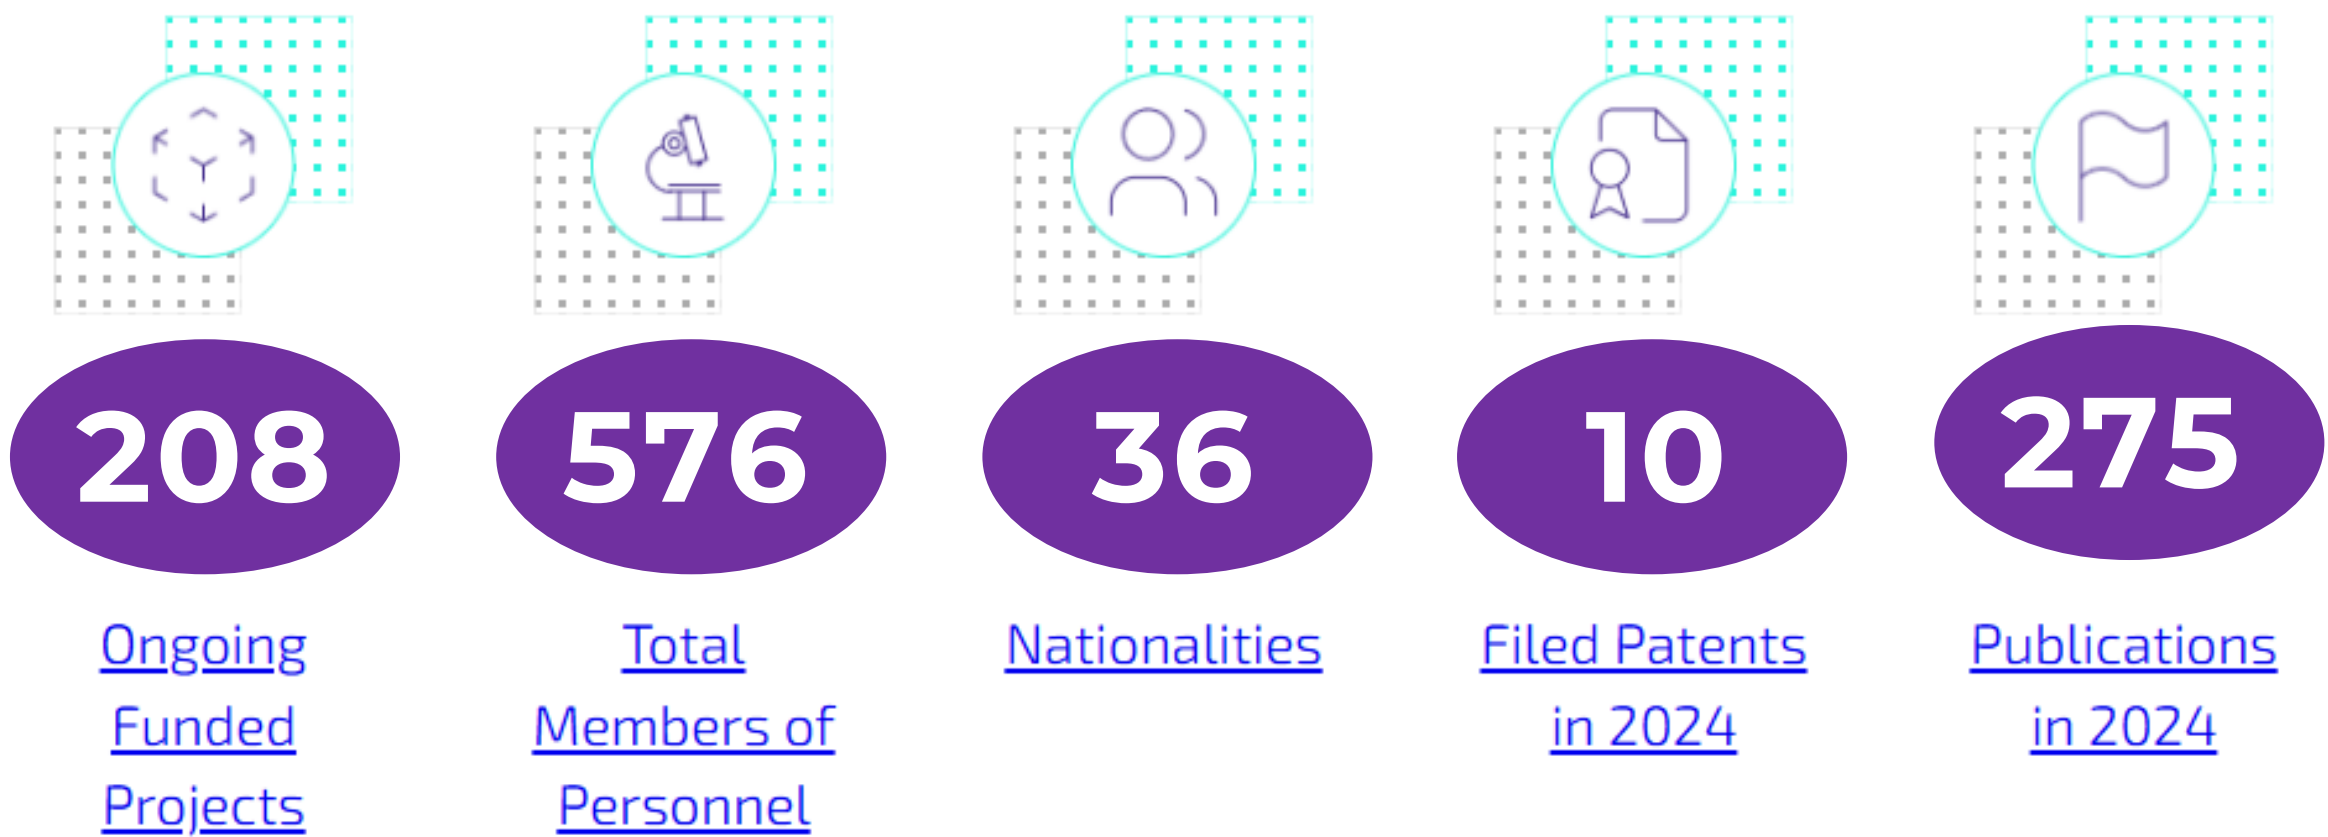

- Excellence
- Inclusion and Diversity
- Sustainability and Social Responsibility
- Openness and Trust
- Worldwide Mindset

MISSION VISION AND VALUES

CAREER WEBSITE

We also have a Career Website (<https://www.careers.inl.int/>) where you can keep track on the positions we're looking for.

WHAT ARE WE LOOKING FOR?

- Currently we're looking for:
- 2 Postdocs, one in the area of Food Processing and Nutrition and another in the area of Medical Devices;
 - 1 Facility Specialist in the area of Laser Safety;
 - 1 Facility Engineer to reinforce the pilot team of our cleanroom;
 - 1 Engineer in the area of Water Qualit;
 - 3 Research Assistants in various areas;
 - 1 Project Manager.

Open Positions

Administration

Project Management Officer – North in Movement – Regional Smart Specialisation Platform	Braga, Portugal
---	-----------------

Engineering

Applications & Systems Integration Engineer – Analytical Chemistry on High-Resolution Liquid Chromatography Coupled to Tandem Mass Spectrometry	Braga, Portugal
Facility Engineer – Spintronics Pilot Production	Braga, Portugal
Facility Specialist - AFM, Advanced Optical Microscopy and Spectroscopy	Braga, Portugal

Postdoctoral Researcher

Postdoctoral Researcher – Design, Fabrication, Sensorization and Automation of Devices to Mimic the Human Gastrointestinal Tract	Braga, Portugal
Postdoctoral Researcher – Development and Integration of Microfluidic Modules for Menstrual Fluid Sample Preparation, Cellular Isolation and DNA Recov	Braga, Portugal

Research Assistant

Research Assistant – Aquatic Toxicology (Maternity Leave)	Braga, Portugal
Research Assistant – Neuromorphic Computing with 2D Materials	Braga, Portugal
Research Assistant – Thin Film Solar Cells	Braga, Portugal
