

Together Healthier in life and in business.

Work in Portugal

Live Presentation | November 5th, 2025

🕒 10.50h - 11.10h

One Company of 🌿 Ferraz Group

Ferraz Pharma's headquarters and production units are based in Santa Comba Dão (Viseu), in the heart of the Center of Portugal.

Devoted to animal health & welfare,
We research.
We develop.
We create.
And we challenge the *status quo* — every single day.

Ferraz Pharma is the youngest company of Ferraz Group, a family-owned organization with over 45 years of experience in the pharmaceutical and nutraceutical industries.

We responsibly challenge the *status quo* — every day — **to design and develop smarter, safer, more ethical veterinary nutrition and care solutions.**

Grounded in science, driven by purpose, we create innovation that dignifies animal life and honors our values.

To be the **trusted benchmark in animal health.**

- Technical Excellence,
- Highly Specialized Professionals,
- Closeness to Clients and Partners, and..
- The courage to keep improving.

**Where mastery meets empathy,
And every breakthrough builds
a healthier future for all species.**

**At Ferraz Pharma, our Values go beyond words
— They're our way of being.**

- **ETHICS THAT NEVER BEND**

Integrity, transparency and accountability in every decision and relationship.

- **COLLABORATION THAT BUILDS BRIDGES**

We help each other win: cordial, diligent, professional — across teams, sites and disciplines.

- **EXCELLENCE WITH PURPOSE**

Quality and safety as a habit — promoting a continuous improvement as discipline.

- **INNOVATION THAT RESPECTS**

Creativity and technology in service of wellbeing and sustainability.

- **JUSTICE THAT UPLIFTS EVERY PERSON**

Building an ecosystem where dignity, equity and fairness elevate human potential.

- **FLOWPEOPLE™ COMMITMENT**

A collaborative, empathetic, flexible, results-oriented attitude — We share knowledge, recognize merit and rise together.

FlowPeople™

by Ferraz Pharma

To be **FlowPeople** is to act with focus and empathy.

It's turning pressure into purpose and teamwork into trust.

It's the courage to improve, the humility to listen, and the discipline to deliver — always with respect for life.

FlowPeople™ is not a slogan.
But who we are, every day.

Driving Renewal. Leading with Purpose

By adopting innovative practices rooted in scientific knowledge, we ensure our contribution is both impactful and measurable.

There's only one way to build a sustainable future.
— And we're deeply committed to the solution.

Our Quality Policy

Devoted to animal wellbeing, we carry a profound responsibility: placing creativity and innovation at the service of quality of life.

In our state-of-the-art Pharmaceutical Development Unit, we specialize in the galenic development of solid, semi-solid, and liquid dosage forms for Animal Health and Welfare / Veterinary Use Products.

**The best research.
The best benefits.
The best for every being.**
