

## Praxis Care Job Description

<b>Position, Title &amp; Grade:</b>	<b>Head of Operations</b>
<b>Location:</b>	<b>North Co. Dublin</b>
<b>Reporting to:</b>	<b>Regional Director of Care &amp; Development</b>
<b>Function/Department:</b>	<b>Operations</b>

### Job Purpose/Summary:

To efficiently manage and develop projects for children and adults, across the spectrum of services in the Organisation, but in particular those with a learning disability, brain injury, or mental health issues, in accordance with the aims and philosophy of Praxis Care.

### Key Accountabilities

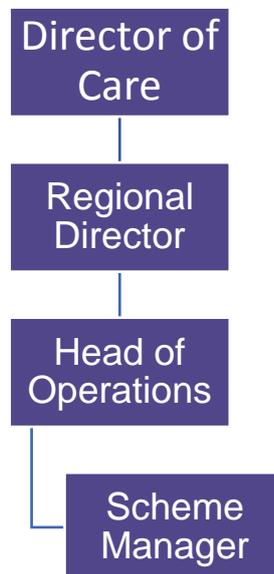

- Ensure that all work carried out within Praxis Care is service user focused and upholds the principles of respect, privacy, dignity, fulfilment, independence and choice.
- To be available, for service users to discuss difficulties and to act as an advocate, either within the programme or with other agencies and to oversee the development of assessment care plans and review for service users on a needs led individual basis.
- To provide effective leadership, supervision and management of staff ensuring that all projects within the zone are fully staffed within budget and to be responsible for the management of workloads and identifying and addressing staff development needs.
- To assist the Regional Director of Care with the development of projects, initial management of those projects and to formulate policies which promote quality care and ensure the rights of the service user.
- To be fully involved in the preparation of annual budgets. To monitor and make recommendations regarding adjustments to budgets via the accounts system and to manage designated services within the finance allocated.
- To liaise appropriately with carers, other professional staff, voluntary bodies and community groups in the furtherance of the clients' needs.
- To participate in committees/working groups as appropriate to the duties of the post.

### Requirements of the Role

- You will be required to participate in the company performance and staff review process
- To adhere to and model the company values, behaviours and competencies at all times
- To carry out all duties of the post in accordance with Praxis rules, regulations and policies
- To carry out additional duties of the role and all other required duties as and when necessary
- To work the necessary hours to fit the needs of the scheme (this may include working early shifts, late shifts, evenings, weekends, nights and sleep-in night duties).

The above mentioned duties are not exhaustive and the post holder will be required to carry out other duties as and when necessary. It should be noted that stated duties or location associated with the post may change to meet the future needs of the organisation.
