Description of the employer

Norefjell is located only 1.5 hours away from Oslo, surrounded by beautiful nature and vast mountains. The ski resort have ski slopes for all ages and levels of expertise. There are three different kids areas in the ski resort where the kids can meet our mascot Nore Rein.

Our main goal at Norefjell is to create great experiences, we want to be an amusement park consisting of snow. We focus on creating arenas where the whole family can develop their ski abilities and of course have a lot of fun.

At Norefjell you will also find two different terrain parks. The terrain park at Bøseter have a good variation of lines and elements. Our main park is located in the central area with lines and elements for everyone from beginners to more advanced skiers. In our terrain parks you will find elements such as jumps, rails, wall rides and much more.
