

Position: General Operative (Civil Works)

Location: Arklow/South East Area

Contract: 1 year with a review

Salary:

Overview of role:

Gaeltec Utilities are seeking a General Operative within the Telecoms Team to work throughout Ireland with the first phase 1 being within the South East area. We are looking for an individual who is willing to travel to multiple locations, company transportation provided from base location.

Key Responsibilities:

- A General Operative is responsible for ensuring that production is carried out efficiently in adherence to quality standards.
- Meet defined production targets.
- Follow instruction from the Crew Leader/Team Leader.
- To ensure the safety of yourself, the workforce, public and any other person affected by your duties and responsibilities.
- To follow task briefings and appropriate safe systems of work and ensure that Company policies and procedures are always adhered to.
- Complete all training as identified by the company.
- Ad hoc duties that may arise.

To be considered for the General Operative position you will Ideally have the following:

- Experience of construction mandatory.
- CSCS 360 preferred.
- Manual Handling and Safe Pass qualifications.
- Must have an understanding of the English language.
- Reliable and flexible with the ability to use own initiative.
- Ability to meet the physical demands of the job (standing for long periods of time, etc).
- Commitment to health and safety.
- Full Driving Licence, HGV driver License will be considered as a plus, willingness to travel and work away at customer sites.

If you would like the chance to work in this exciting role for an innovative company, please apply directly with CV to: HR@gaeltecutilities.com
