

ARCTIC GUIDE SERVICE

Summer job as a Tour Guide at the North Cape

We are looking for enthusiastic tour guides who would like to join our team and spend the summer of 2023 at the North Cape – the Top of Europe.

We are:

Arctic Guide Service, a leading guide service company in the northern parts of Norway. Currently we are providing guides for shore excursions, private groups and individual travelers in Lofoten, Tromsø and North Cape. During the high season, we engage around 100 guides.

You should be:

- Available to work as a guide from mid-May till end -August / mid-September
- Fluent in English (C1 to C2 level) and TWO of the following languages: German, French, Italian or Norwegian.
- Flexible, service-minded and enthusiastic
- Interested in working with people from different countries and cultures, able to present information in an entertaining way
- Prior experience as a tour guide is appreciated, but not required

We offer:

- Guide course and training on site
- Help with finding accommodation
- Possibility to work for us for more seasons
- Assignments and wage according to your availability, language combination and bookings
- International work environment
- Possibility to use your language skills and knowledge about Norway in an active way

Application:

Please send your CV and motivation letter to: northcape@arcticguideservice.no, subject: *Application: Tour Guide Summer 2023*
Do not forget to add the information about your language combination and availability.
