## How can I find a job in Spain?

The screenshot shows the EURES website header with the European Commission logo, a language selector set to 'English', and a search bar. Below the header is a navigation menu with options: Home, Jobseekers, Employers, Living & Working, EURES Services, and My EURES. A breadcrumb trail reads 'Home > Jobseekers > Find a job'. The main content area features a large blue banner with the text 'Find a job in Europe' and 'There are currently 3911173 jobs waiting for you!'. Below this is a search form with a text input field containing 'Keywords, company, job title, ...', a dropdown menu set to 'All European Countries', and a yellow 'Search' button. At the bottom of the search area, there are links for 'Advanced search' and 'Specific data quality disclaimer and terms of use for job vacancies'.
