“I’ve been teaching at this school for many years and have had the privilege of watching it expand and grow in many exciting ways. What I love most is the sense of community, embracing all nationalities, the diversity of teachers, and the collaborative learning environment that brings everyone together.

With fantastic opportunities for professional development through Nord Anglia and the experience of living in such a vibrant city like Dublin, NAIS Dublin has been an incredibly rewarding school to work in.”

- Robyn, KG3 Teacher

“I have been working in NAIS Dublin for last two years and in that time, I have derived great experience and social benefits from my interactions with colleagues, with the students/ pupils, and I must confess the confidence I have acquired is far in excess of what I was expecting or ever hoped to achieve.

It is a wonderful school in many respects - a great centre of learning and has a great school ethos. There is a sense of belonging in NAIS Dublin and a strong community. If I had a child, I would highly consider bringing my child here.”

- Ellie, Lab Technician

“As the Primary Years Programme Coordinator at Nord Anglia International School, I can confidently say that it is an exceptional place to work. The collaborative environment among staff, parents, and students is truly inspiring. Our strong focus on fostering a vibrant parent community ensures that the families are deeply involved in the educational journey, creating a supportive and nurturing atmosphere for our students.

Teaching and learning at Nord Anglia is dynamic and innovative. With an emphasis on inquiry-based learning, students are encouraged to explore, question, and engage with the world around them. As a coordinator, I’m proud to be part of a team that constantly strives for excellence in education, where creativity and collaboration are at the heart of everything we do. The commitment to student success and the holistic development of each child makes this school an amazing place to be both for educators and families alike.”

- Jack, Assistant Head of Primary
