

Refrigeration plant builder (m/f/d) (ID: BY-BAU-698)

The employer is specialized in large kitchen technology and is looking for a refrigeration plant builder.

Your tasks:

- All activities in the field of refrigeration plant building

Your profile:

- Vocational training as a refrigeration plant builder or master refrigeration plant builder
- German language skills of at least A1
- Communicative and team-oriented
- We presuppose willingness to engage in further training

Framework conditions:

- Participation in planning and decisions
- Working in a motivated and uncomplicated team
- Personal support
- A company with flat hierarchies and open communication
- With us you get the opportunity to grow together with the success of the projects and our team
- Working hours: Full-time
- Employment contract: indefinite
- Daily homecoming is the rule, however, an occasional short assembly activity can occur

Location: Viechtach, Bavaria, Germany

Please send your application in German or English to:

ZAV-IPS-Bayern@arbeitsagentur.de by referring to **BY-BAU-698**.

For further assistance, please contact us. We'll be happy to provide further assistance. The International Placement Service Bavaria supports your job-seeking in Germany. We are a department of the German Federal Employment Agency. Our services are free of charge.
