

We are looking for a new member to join our team with immediate effect:

## Service Associate (Vehicles) (m/f/d)

Copart is a rapidly expanding global leader in the remarketing of used and damaged vehicles. Through our innovative approach, we're reshaping the current market landscape and promoting sustainability by reintroducing vehicles onto the roads rather than scrapping them. Our key to success? Our dedicated team at Copart. That's why we prioritize fostering an environment where employees not only thrive but also have many opportunities for personal and professional growth. At Copart, authenticity is valued, and everyone has a voice. Here, you can share ideas, explore new horizons, and truly make an impact alongside your colleagues. If you're seeking a supportive team dynamic, boundless enthusiasm, and fresh perspectives, you've found your perfect fit.

### ➤ What can you expect?

- Receipt and handover of vehicles according to company standards
- Maintenance, preparation and storage of the vehicles
- Documentation, inspection and creation of vehicle information
- Support with internal processes at the site
- Execution of work orders according to operational requirements

### ➤ What do we expect?

- Flexible on-site deployment at various locations throughout Germany
- Manual skills - career changers from all sectors are welcome
- Passion for cars and basic technical understanding
- Valid class B driver's license
- Structured and independent way of working
- Ability to work in a **team**, commitment and reliability
- You enjoy working in the fresh air
