We produced a single Platform covering both Reactivate and Your first EURES job initiatives to offer a more user-friendly solution to our beneficiaries; using this dual system, in fact, allows both employers and jobseekers to register only once.

- Employers can upload vacancies targeting all workers, whatever their age.
- Jobseekers already registered in YfeJ, when turning 36, can automatically benefit from Reactivate targeted services using the same registration data and CV.

If you are a **jobseeker already registered on YfeJ Platform**, you can access to Reactivate services without going through a new registration process. [Click here](#) to login using the same credentials or [here](#) if you forgot you password.

If you are an **employer already registered on YfeJ Platform**, you can access to Reactivate services without going through a new registration process. You can use a single vacancy opened to jobseekers under and over 35 years old. [Click here](#) to login using the same credentials or [here](#) if you forgot you password.

The EU is funding different Reactivate projects. To have a full view of the current initiatives, please check EURES webpages for jobseekers or employers.

The screenshot shows the homepage of the Reactivate website. At the top left is the 'ReAct' logo with a star and the 'reactivate job' logo with a power button icon and the European Union flag. A navigation menu includes 'Home', 'What is Reactivate?', 'Jobseekers', 'Employers', 'Reactivate vacancies', and 'Contacts'. On the right side, there are social media icons for Facebook, LinkedIn, Twitter, Google+, and a plus sign for more options. The main content area features the text 'WELCOME TO REACTIVATE' and 'THE EUROPEAN RECRUITMENT SERVICE SUPPORTING FREE MOVEMENT OF WORKERS OVER 35 YEARS OLD'. A large 'TO WORK' graphic is partially visible. A green 'REGISTER NOW' button is centered below the text. At the bottom, it asks 'What can we do for you?'.
