# THE VIADUCT

## THE VIADUCT

The Viaduct restaurant, café & market is nestled near Cork city's spectacular mid-19th century landmark, The Chetwynd Viaduct Bridge. Just minutes from Cork city and on the road to Bandon, it is the gateway to West Cork.

Brimming with character and warm hospitality, here you can enjoy delicious meals created from the best locally sourced ingredients and all served in a modern yet relaxed atmosphere. Or purchase freshly baked breads or one of our Grab & Go meals to bring The Viaduct home with you.

Originating as an inn, The Viaduct was built in the early 1990s with direct views of the 90 foot high steel and stone viaduct.

In 2022 The Viaduct was purchased by Cliste Hospitality, undergoing major redesign and refurbishment and reopening its doors to the public in September. "Our concept at The Viaduct is that of a modern Irish brasserie," says Cliste Hospitality CEO Paul Fitzgerald, "a food and drink hall, and restaurant with menus changing seasonally that will become a destination dining option both for the local Bishopstown and wider Cork population and also for commuters to West Cork."
