

## **Vacancies in Ireland for Skilled & Semi-Skilled Butchers / General Operatives / Pig Farm Stockpersons**

### **Roscrea, Edenderry & Clara**

Rosderra Irish Meats Group, Ireland's leading provider of high quality pork products to a global marketplace are looking for enthusiastic and competent people to join our team in Ireland. We have vacancies for Semi-Skilled and Skilled Butchers and General Operatives at our processing plants and for Stockpersons at our Pig Production Units. This is a great opportunity to join a progressive and growing Company in Ireland.

New employees will receive certified training in Food Safety and Quality Assurance, Health & Safety and will receive training in best practice butchery and de-boning of pork products to the highest specification with Stockpersons receiving training in welfare and husbandry. Rosderra Irish Meats operates on a Team basis with employees playing an active part in the day to day process and we promote a continuous improvement environment for all staff to develop their skill base and career within the pork industry. Full 39 hour weekly contracts with overtime with premium rates available. The Company will assist in locating accommodation close to the factories/farms and will assist new employees with other Human Resources services etc.

<b>Rates</b>	<b>Gross Hourly Basic Rates</b>	<b>After Tax Hourly Basic Rate</b>	<b>After Tax Weekly (39 hours) Rate</b>
General Operatives – Skilled Butchers/Boners	Range between €10.20 - €14.50	Range between €9.60 to €12.50	Range between €375.00 - €488.00

Basic English would be an advantage but is not necessary and English language classes can be arranged after joining our company. Experience in any Meat/Poultry Processing Factory would be welcomed. Further information on our Company can be seen at <http://rosderra.ie/>
