After the Boot Camp, if we like the candiadtes and we think that they can work for us we propose them work contract.

Launched in 1994, EURES is a European cooperation network of employment services, designed to facilitate the free movement of workers. The network has always worked hard to ensure that European citizens can benefit from the same opportunities, despite language barriers, cultural differences, bureaucratic challenges, diverse employment laws and a lack of recognition of educational certificates across Europe.

Your first EURES job aims to help young nationals in the 18-35 age bracket of any of the EU28 countries + Iceland and Norway (EFTA/EEA countries) to find a work placement (job or traineeship) in another EU EFTA/EEA country. It also helps employers to find the workforce they need for their hard-to-fill vacancies.

Using YfEJ program from Eures Eventi Animazione can organise boot camps totally for free for their candidates. Eures helps our new candidates travel to Italy for their boot camp by paying them around 400-500 Euros for travel expenses and the work interview.

BOOT CAMP

BOOT CAMP is a event where new candidates can feel and touch the work of ENTERTAINMENT. For 3 days all candidates will have possibility to be followed by our Team Managers and professionals in the field of animation. They will have possibility to learn and see how is the entertainment job on the field by doing activities and evening shows. During these 3 days all the expances for food and accommodation will be covered by Eventi Animazione and the travel tickets will be refunded by Eures Bonus from YFej.
