

Finding a job in Portugal: a few tips to bear in mind

Work in Portugal!

Update: June 2020

Finding a job in Portugal

Bear in mind!

- Job seeking abroad requires **more time** and **preparation** than in your own country
- Your move will be much smoother if you are **properly informed**

EURES services can help you:

- with information about the Portuguese labour market
- looking for jobs
- applying for a job
- preparing for interviews

First, focus on yourself

Think about:

- **your starting point:** interests, education, professional experience, language skills, current family and professional situation...
- what **drives your move** to Portugal ?
- what are your **professional goals** ?
- looking for **an experience** or a **long-term project** ?
- what are you willing to **negotiate** ?
- do you see yourself **working for a company** or as an **entrepreneur** ?
- what **support** do you have already **in Portugal** ?

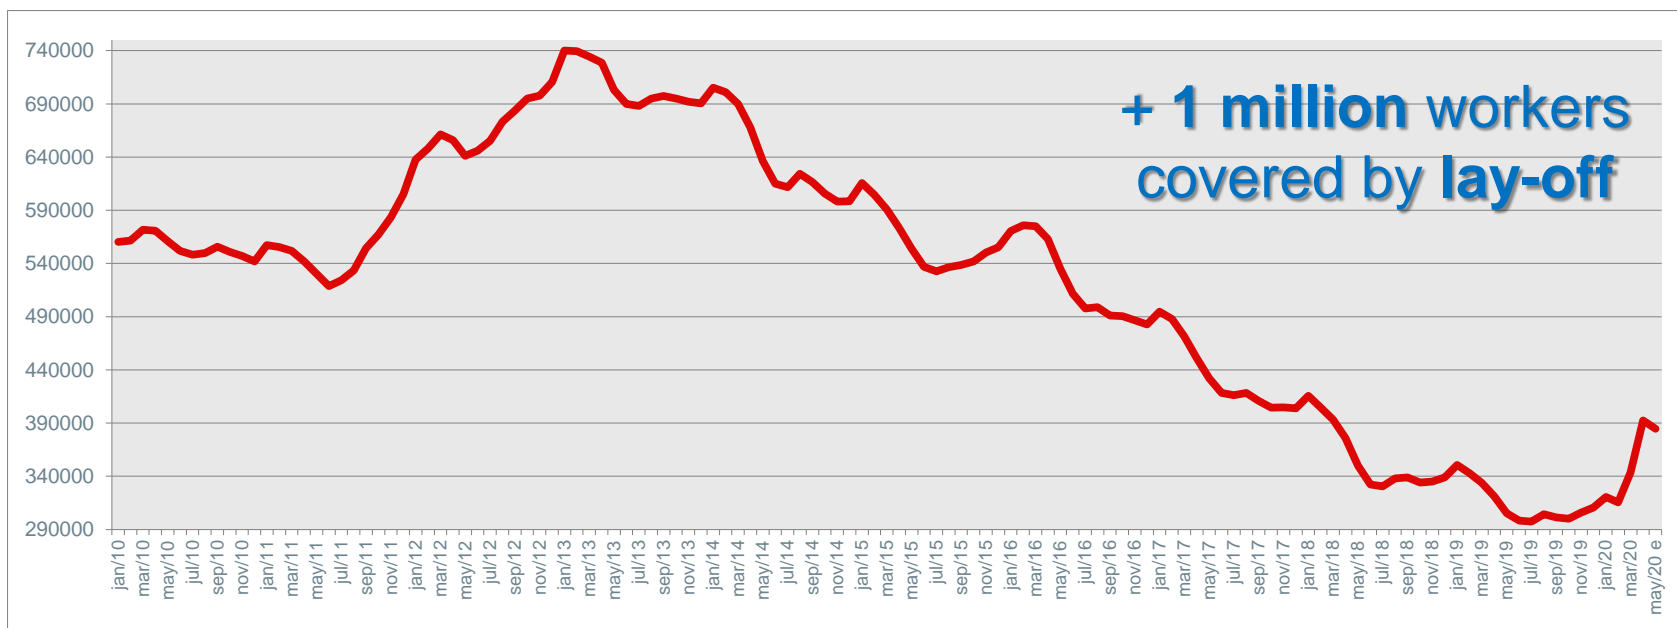

Second, **get information** about

- **Living conditions**
 - cost of living
 - accommodation
 - access to healthcare & education
- Where (and when) to **learn Portuguese**
- **Labour market** and job opportunities
