

Formworker/joiner (m/f/x)

OUDEBURG MUNICIPALITY

Verhelst is looking for a formworker for their Oudenburg site.

Are you a hard worker, i.e. a real powerhouse? Are you passionate about joinery? Is a full-time formworking job your goal? Are you keen to make formworking your full-time occupation? Are you a formworker who isn't afraid to get their hands dirty with physical labour? If so, then you're the formworker we've been looking for to join our V-company.

IS YOUR PROFILE A MATCH?

Here's a snapshot of your formworking activities:

- Building formwork for terraces, spiral staircases, staircases, etc. based on a production plan
- Installing formwork with reinforcement cage and fitting the elements to be inserted
- Work with, e.g. panel saws, nail guns, sanders, etc.

Essentially, as a regular powerhouse and formworker, your range of duties will be varied.

WHO WE ARE LOOKING FOR

- You have robust technical skills.
- You treat colleagues and supervisors with respect.
- You understand how to read a production plan (blueprint) and can interpret negative elements.
- You are eager to work, quality-conscious, precise, orderly, and punctual.
- You follow safety protocol and can work independently and in a team.
- You are eager to learn and willing to follow training courses.

OUR 'RAW MATERIALS' FOR JOB SATISFACTION

- Good salary based on your knowledge and experience (pc124 supplemented with fringe benefits, e.g. time off in lieu, eco vouchers, etc.).
- Once you sign on, you'll benefit from extensive on-the-job training that we also offer throughout your career with us.
- What's more, as a V-employee, you enjoy discounts in our construction shops.
- You get a Monday through Friday daytime job, and also benefit from annual construction leave.
